

**Omnisurge (Pty) Ltd, Cape Town – 2020.**

Thank you very much for showing interest in Baphumelele. May God bless you.

We as Baphumelele, the Management, the Staff and Children would like to thank you very much for a **donation of Disposable Gloves and Sanitizers on the 15<sup>th</sup> May 2020.**

This has come at the right time as we are really desperate to have all forms of protective measures to curb the spread of this COVID 19 pandemic rampaging in our country and in the world; and we would like you to know that we are humbled and highly appreciated what you have done for us at Baphumelele.

Your contribution will very well impact lives of young, innocent children, whose lives have all been impacted by many things – they are orphans or they have been abandoned by dying parents, they have been dumped as little babies, they have all already experienced death, disease, abuse, neglect and hunger in their still so young lives.

It is people like you, who would help to give back their childhood, their smiles, their trust in life and a brighter future. We are very grateful for your support.

Kind Regards,

*Rosie Mashale*
